

Safety Case Symposium 2019

Technologies, Methodologies and Regulations

www.safetycasesymposium.com

**Shaw Foundation Alumni House, Auditorium
National University of Singapore, 11 Kent Ridge Drive
Singapore 119244
March 26 – 27, 2019 | 0900 – 1730hrs**

The second edition of the Safety Case Symposium: *Technologies, Methodologies and Regulations* will be held from 26th to 27th March 2019 in Singapore with **National University of Singapore (NUS)**, **Singapore Institute of Technology (SIT)**, **UON Singapore** (*a wholly-owned entity of The University of Newcastle, Australia*) and **TÜV Rheinland** as the technical partners.

Background

Since the Safety Case Regime was established in the UK, the regulators of various countries (e.g. Denmark, the Netherlands, Australia, Brunei, and Singapore) have adopted similar regimes for their Major Accident Hazard Facilities.

The *Safety Case Symposium* is the dedicated platform where global stakeholders of safety cases come to share, learn and discuss Safety Case related topics. Safety Case Symposium 2018, hosted in Singapore, is themed *Technologies, Methodologies and Regulations*.

Who should attend?

- safety/security regulators
- process industries or other Major Accident Hazard Facilities
- safety professionals
- university and research institutes
- standards development bodies
- engineering communities
- other relevant stakeholders of safety case regime

Topics

- the developments and trends of state-of-the-art technology
 - best engineering practices
 - in-depth methodology argument
 - latest regulations/standards update
 - other relevant topics in Safety Case in the context of Singapore and/or global market
- Check out event website for live updates.

Registration

- Via our website at www.SafetyCaseSymposium.com/register. Payment mode: debit/credit card, Paypal; or
- Via email using Registration Form (attached on the next page). Payment mode: cheque, bank transfer

Fees

(subject to GST)

- Normal price: SGD 700
- Early-bird price: SGD 500 (until 31 Jan 2019)
