

# Welcome Message from TUV Rheinland

Mr. Ramesh Nadarajah, Vice President for  
AP Industrial Services , TUV Rheinland

Safety Case  
Symposium 2018  
Singapore

**TÜVRheinland®**  
**Precisely Right.**

# First International Safety Case Symposium

## **Planning since 2017, in response to industry demand**

1. Safety Case Regime established in UK more than 50 years ago;
2. Denmark, Netherlands, Australia, Brunei have adopted similar regime;
3. Singapore's WSH(MHI) Regulation effective Sep 2017
4. In need: one dedicated platform for all Safety Case Stakeholders

## **Singapore was chosen for Safety Case Symposium 2018**

1. Safety Case Regime is one key feature of its new WSH(MHI) regulations
2. Strategic Geographic Location
3. Excellent Collaboration between public and private sectors
